And teach your customers to do so too?**

COME TO OUR WOW BROW CLINIC at the MK Studio
Saturday, March 6th—11:00 am clinic & 1:00 pm clinic

You can bring guest at either time, we will do the same clinic at both times!

12:00pm will be Pizza & Possibilities!!!

Guests from the 11:00am clinic can hear marketing and have lunch,
and guests for the 1:00pm clinic can come early to hear marketing & have lunch!

Stacy Roberts will be set up to do sugaring on the brows, her cost is \$6, so I suggest
you spend \$10 and let your guests have her brows sugared and send her
home with the brow tools or gift w/ purchase set with tweezers.
Consultants can also have their brows sugared so come on out!!!

Bring your guests but be sure to RSVP them to your Director!
If you do not have the brow tools on hand or gift w/ purchase,
make sure and let your Director know so they can have a gift for your guests!

This day will be a blast, and dress is MK Casual, so snappy dressy, no jeans!
