

KRISTA WARNER'S WILD WEST GIRLS

LET'S STAY IN TOUCH WHATEVER IT TAKES

Communication determines the healthiness of all relationships. I take my roll as a mentor and encourager very seriously and work closely with the Consultants who are "in my face"! I want to be sure you're aware of all the great ways for us to stay in touch so you can always get the training and support you need to head straight to the TOP! *Krista*

E-MAIL

Do you have an email address? Several times a week, I send training and informational messages out to our unit members. This also includes information for all special events. My email address is: wildwestarea@att.net My assistant, Laramay Adams, also sends emails for our unit so please make sure her email is in your address book—Laramay@cox.net.

CONFERENCE CALL

Every Sunday evening at 9:00pm CST dial into our Unit Conference Call - 712-775-7100 Access Code: 150791#. Great way to stay in touch weekly and receive up to the date training, ideas and motivation along with recognition. Every time you dial into the Unit Conference Call your name will be entered into a monthly drawing for a special prize from me!!

MARKETING CALL

Use this call for your potential new team members. Krista will share about the Mary Kay business opportunity and her story. 641-715-3900, Access Code 108028#. They need to leave their name, phone number and their Consultant's name.

COMPANY WEBSITE

Our company website is phenomenal! Go to www.marykayintouch.com, enter your consultant number and password to gain access to TONS of information and training. Plus you can do your own orders online! They also offer excellent education! Click on "Consultant Education" from the Education menu. That will take you to The Silver Wings Scholar Program for e-learning.

OUR UNIT WEBSITE

Visit our unit website at www.wildwestareacom for all the latest training, promotions, events, recognition and photos. Sign the guestbook with your achievements and to be entered in a monthly drawing!!

As your Director, I want to stay in close contact with you and Twitter allows me to do just that! Being able to instantly update and speak to our AMAZING unit is wonderful!!! You will receive Mary Kay updates along with personal updates. The whole point of Twitter is to be able to communicate with Krista, your unit members, your team members, and your customers while you are on the go. Twitter is a FREE service! This equates to FREE ADVERTISING!! But you've got to communicate to make it work on-the-go!! You need to check with your cell phone provider to see if you have a text package, or if your text package is limited to so many texts a month. To effectively tweet make sure you have an unlimited package. You would be amazed, but texting is now considered an essential, and because of that unlimited text packages are very affordable. To learn more go to www.twitter.com or go to www.wildwestarea.com for Twitter instructions on the Business Management page of our Training Center.

Facebook helps you connect and share with the people in your life—and it's FREE. It's a great advertising tool to let your friends and customers know what is going on in your business and new product information, specials, etc. If you do not have an unlimited text package on your cell phone or just don't text; sign up for Facebook and you will be able to read Krista's Tweets!!!! Sign up today at www.facebook.com search for Krista Warner-Wild West Area; Mary Kay.
