 WHATEVER IT TAKES

Make a list of every person you know that has skin on their face! They can help you start your business, give you their opinion, and allow you to practice on them. Write down people with whom you went to school, your current or past co-workers, relatives, relatives of relatives, husbands co-workers, and people you come in contact with that you might not even know their name. **Show this list to Krista with at least 50 names and earn your MK Business Card Holder.**
