

The Comfort Zone

I used to have a Comfort Zone
where I knew I couldn't fail.
The same four walls of busy
work, were really more like jail.

I longed so much to do the
things I'd never done before.
But I stayed inside my
Comfort Zone
and paced the same old floors.

I said it didn't matter
that I wasn't doing much.
I said I didn't care for things
like diamonds, cars and such.

I claimed to be so busy
with the things inside my zone.
But deep inside I longed for
something special of my own.

I couldn't let my life go by
just watching others win,
I held my breath and
stepped outside
to let the change begin.

Took a step and with
new strength
I'd never felt before,
I kissed my Comfort Zone
"good-bye"
and closed and locked the door.

If you are in a Comfort Zone
afraid to venture out,
Remember that all winners were
at one time filled with doubt.

A step or two and words of praise
can make your dreams come true,
Greet your future with a smile
Success is there for you!
