# Let's Play Makeup!

Hello Mom and Daughter,

I just wanted to say Hello before I see you on \_\_\_\_\_ at \_\_\_\_\_ party.  
(Day of Week) (Hostess)

My name is \_\_\_\_\_. I am a Beauty Consultant with Mary Kay Cosmetics. I wanted to let you know that I will be trying products on your daughter's face to show her a few makeup tips and how to take proper care of her skin. I will show her some fun and trendy, but tasteful looks, she can wear.

Mom, please feel free to join us and try products especially for your skin. This way you can have fun, try out a new look, and watch your daughter have fun with her new look. You could even start your holiday shopping! However if you cannot attend with your daughter, please complete the permission slip below and have her bring it with her.

I hope to see you both on \_\_\_\_\_ at \_\_\_\_\_. Please call me at \_\_\_\_\_  
(Day of Week) (Time)
