"Facial in a Bag" Program!

I know you will enjoy trying these products, which are formulated to give you the healthier, younger-looking skin we all want. And, because you are a busy woman, I will call you to get your opinion. However, if you call **ME** (within 48 hours of receiving this bag) before I call **YOU**, you will receive a **FREE lipstick!**

If you place an order within 48 hours of your facial, you'll receive a FREE gift!

So, let's get started!

1. **Cleanse**—using the packet of TimeWise 3-in-1 Cleanser, squeeze 1/2 the contents (save the rest for another use) into your hand and with your fingertips, massage all over your face, avoiding the eyes. Remove with a damp cloth. (I have enclosed a disposable facial cloth for your convenience.)
2. **Moisturize**—using the packet of TimeWise Age-Fighting Moisturizer, squeeze 1/2 the contents into your hand and massage all over the face and throat, again avoiding the eyes.
3. **Protect**—using the Cream-to-Powder Foundation, peel the backing off the blister pack and apply with your fingertips. This may not be the best color for you, but we will match the perfect shade for you from our selection of more than 30 shades!
4. **Finish** your facial with the ColorSelect System Look Card. Use the applicators I have provided for your convenience and enjoy creating your new look!
