

TimeWise Serum+C Test Panel Survey Instructions

Ask 20 of your existing customers to participate in a Serum+C Test Panel Survey. Purchase 5 of the Serum+C's (w/s cost \$137.50 +tax/shipping). That will give you 20 vials—1 week of use for each customer. Deliver 1 vial and the Serum+C Fact Sheet to each customer. Go over the fact sheet and explain product use. At the end of the week, re-visit each customer and have them complete the survey. If only 1/3 of them purchase the product, you will have \$385 in retail sales in 1 week!!! Can you imagine what your re-order sales are going to be?!?!?

Take before and after pictures to show other customers!!
