

Great support in selling the new fragrance from Misty. Do you have your order ready to go of the new products? They are going to be VERY HOT and a big hit!! Thanks you Misty for your creative and strategic plan. I encourage all of you to start thinking and putting together your personal work plan for the Holidays. Jan Thetford

Directors--created this to help myself and my unit members this month!! and forever:)

Use if you wish---- they can print page 1 and 2 front and back---put in a snack size baggie along with a few cotton balls sprayed with the fragrance---great for silent hostess!! If they found 5 people to do this that is \$1500 in sales and a clear \$600 profit!! 10 people \$3000 in sales 1200 profit!! SD Misty Lakes
